DEVELOPMENT OF A COMMUNICATIONS POLICY

I am enclosing a copy of Hans Speier's memorandum of May 16, 1951 on the above subject together with a copy of Hans' memorandum of May 5, 1951 on an Institute of International Communications.

This is a subject which Rowan would appreciate your thinking about so that we can discuss it at an early date.

I am also enclosing a memorandum by Hans and Don Marquis of May 4, 1951 on "Program Five in Relation to the Other Programs of the Foundation". This is a basic analysis of Program Five and is referred to in the other memos. I might add that this memo must be revised somewhat in the light of subsequent thinking and discussions on Program Five.

1 copy held for Don Marquis
